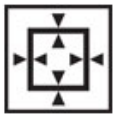
integrated

B:
Product energy rating, measured from A+++ to D / G depending on the product family.

Lights:
All cooker hoods feature lights to illuminate the cooking area or add to the ambience of the kitchen.

Filters:
Model has filters to help remove grease from the steam emanating from the pans during cooking.

Charcoal filters:
Extracting through charcoal filters or directly to the exterior lessens strong cooking odours considerably.



Perimeter extraction panels:
very efficient and aid noise reduction.
